SUBJECT: Directorate of Operations Support to the Senior
Officer Development Course []

DDA REGISTRY

1. The considerable support by the Directorate of Operations to the curriculum of the Senior Officer Development Course (SODC) is very much appreciated. The ADDO's comprehensive presentation on the Field Station and how it relates to the DDO mission overall was one of the higher SODC member evaluated sessions and contributed to the success of the Course. []

2. We regret that you were not able to address the Course due to the understandable, last-minute priority of the Hill. I am sure you will be pleased to know, nevertheless, that the ADDO's session, plus the well received contributions by C/EUR, C/IS, [] C/CCS, DC/CIS, and senior officers from the CA Staff and Terrorist Group, as well as other DO officers, gave the SODC participants an excellent insight into DDO activities and responsibilities. Incidentally, the two DO Course members, [] were superior participants and, indeed, the member presentation by the latter on denied area trade-craft was so well done that we would like to use him regularly in future runnings. []

3. Again, DDO input to the SODC curriculum was superb and greatly appreciated. []
